MAPPINS MESSAGE

Hello Parents and Students,

January is a time for new beginnings, new habits, and new goals. This month's challenge will be to face each challenge with optimism and positivity. My challenge this month is simple: Positivity.

It is easy for us to get in the habit of seeing the bad in everything. It's easy to point out flaws and things that could be done better. It is much harder for us to enjoy each moment and see the good in it. Why is that? Why is it that we jump to the worst possible outcome before we try things out?

Simple: because it's the easy thing to do. Living positively is much harder, but it will pay off in the long run.

Start with this motto in mind when you come back in January: If you don't have anything nice to say, don't say anything at all.

Have a great Christmas Break and we will see you back on January 4th.
